Hazardous Weather

Hazardous Weather

A light rain or snow shower will be possible in the southeast Texas Panhandle. Lows are expected to be in the lower 20's to the lower 30's.

New Year's Day will be drier compared to the previous few days. There is a possibility for patchy flurries and drizzle for portions of North Texas (shaded in teal blue) in the early morning hours. Afternoon highs will range in the 30s and 40s for North Texas, and 40s in Central Texas. Westerly winds will be blustery around 20-25 mph in the morning, but will decrease to 10-15 mph throughout the afternoon hours. Skies will continue to be mostly cloudy to overcast throughout the first half of New Year's Day.
